

# HOW TO ADD/DELETE/EDIT TEXT

1. Login to Wordpress
2. On Dashboard, go to "Pages", select "All Pages"

3. Below screen will appear, select the page you want to edit.

4. After selecting the “page”, below screen will appear:  
As you can see, the “Text” tab is the default “editor” and the texts contains html tags like <div> and <p>

You can edit or delete text right here, but do not delete those html tags.  
Click “Update” to save.

<h1>About us</h1>

<p>Hillside Farms products are developed and distributed by Globalinx Pet LLC, an American, family-owned company based in Southern California. In just a little over 8 years, we have become one of largest suppliers of jerky dog treats in the world, having sold more than 788 million treats </p>

<p>All our products originate from premium, natural ingredients like chicken breast, duck breast and varieties of fruits and vegetables. Safety and healthfulness is the number one objective with every treat we produce. To assure the quality of every Hillside Farms treat, every product undergoes testing for nutritional content, and every batch gets comprehensive lab testing in the United States to ensure they are contaminate free and safe. Additionally, to optimize dietary health of all Hillside Farms treats, product specific feeding recommendations are developed by an independent Pet Nutritionist and listed on each package. Hillside Farms products are registered with the FDA and produced using USDA guidelines for human food production </p>

<p>The Hillside Farms treats are wholesome rewards for your dog, made using only natural ingredients. In addition to have the natural taste dogs love, many of these delicious treats are also low in fat and high in protein. As pet owners ourselves, we want our "family members" to have products that help keep them healthy and happy. </p>
